WORK EXPERIENCE

3.1 Phillip Lim - New York, NY, 08.2023 - 09.2023

Design Intern

- Created embellishments and embroideries layouts, placements and artworks for SS24 NYFW debut
- Supported with sample development, draping, fabric sourcing, sewing and refining trims

Volkswagen Group of America - Oxnard, CA, 01.2023 - 06.2023

Color and Trim Intern

- Supported with creating interior and exterior CMF proposals for “Scout Motors” production vehicles
- Led research on trends, new technologies, sustainable materials while conducting competitor benchmarking analysis
- Collaborated with designers and stakeholders to develop creative CMF concepts, trim levels and lifestyle packages
- Produced high-quality renderings and interior surface designs, presenting them during design review meetings for approval
- Managed the material library, communicating with suppliers and vendors to source innovative fabrics and materials

Centric Brands - New York, NY, 06.2022 - 12.2022

Freelance Design Assistant (Soft Accessories)

- Designed and developed soft accessories collections (cold-weather / hats / socks) for Coach Fall 23 outlet and wholesale lines
- Researched market trends and inspirations to guide seasonal directions for new colors, materials, textures, artworks and silhouettes
- Developed strong color ways, new print & pattern design, technical/flat sketches and spec sheets to prepare for tech packages
- Reviewed and commented on colors for textile lab-dips / strike off, maintaining daily communication throughout the development cycle
- Created inspiration boards, linesheets, presentation decks and maintained seasonal color palettes and sample libraries

RISD Knitting Studio - Providence, RI, 09.2021- 11.2021

Teaching Assistant

- Taught diverse machine knitting techniques, coached students to enhance their skills, and provided feedback and creative solutions
